

ISLAM IS A THEOCRACY, A GOVERNMENT using TERROR where each man, woman and child is REQUIRED to PARTICIPATE in one or more of the following forms of JIHADI.

OCCUPATION JIHADI

Overwhelming the population of infidel nations via legal or illegal immigration until such time that the Islam population is dominant enough to take control of the political and economic systems to impose Sharia Law. Mosques are immediately built to serve as the central information and meeting place; barracks; armories and arsenals for Islam warriors under the guise of religious worship.

CULTURE JIHADI

Assaults upon the infidel culture to demand accommodations and special treatment; demand halal food preparation and distribution; will stage protests, demonstrations and marches to proclaim unfairness, discrimination and persecution. Will not assimilate, but rather seeks to dominate.

PROPAGANDA JIHADI

Assaults infidel media and communication organizations and outlets with propaganda proclaiming Islam as peaceful; benevolent; and benign. Will demonize all opposition to Islam as evil, hostile and unjust to garner infidel sympathy. In the United States CAIR is but one example.

ECONOMIC JIHADI

Will demand implementation of Sharia for economic and banking transactions; demand governmental financial assistance based upon oppression and discrimination; purchase significant real estate parcels and other real property.

LEGAL JIHADI

Aggressively file complaints and lawsuits against infidel individuals, institutions, schools, colleges, businesses and governments claiming societal behaviors, norms, laws as discriminatory, oppressive and unjust to Islam. Will run and hold government offices to advance Islam; Sharia law.

TAQIYYA (DECEPTION) JIHADI

Engage in community good works and other deceptions to lull infidels into complacency by feigning friendship, cooperation and neighborliness.

VIOLENT JIHADI

Terror, the threat of terror, extreme violence, fear, intimidation, physical and sexual assaults, maiming and decapitations to force the infidels to cower into docile submissiveness.

ALL Islam engage in one or more JIHADI which is designed to lull, assault and terrorize infidels into Islamic Submission. Those who refuse are executed. Islam declared war upon all infidels worldwide and are here in the United States now with millions more coming. Will you cower, crawl and submit to Islam Terror or will you stand and fight for your right to survive as a FREE AMERICAN? or will you SUBMIT TO ISLAMIC SLAVERY?
