

Michael LeCornec-Bollenbach

Bible Teacher, Author

Michael is a speaker, teacher and author for more than 100 bible study topics and two books. His passion is to lead Christ's disciples to explore both the Old and New Covenant Scriptures to learn about God; discover that Messiah Jesus is prophesied in the Old and revealed in the New Covenant Scriptures; and to show them how to start home churches.

Michael established The Lord's Children in 2001 to disciple believers and to restore the apostolic paradigm for church which includes re-instituting the non-hierarchical church structure as established by Jesus and the Apostles in Scripture; meeting in private homes for koinonia (fellowship) with God together with other saints; to interactively disciple daily in the Word of God; and to reinstitute the Lord's Supper as a full meal with the elements of the bread and wine to represent the body and blood of our crucified and risen Lord.

Michael hosts *Be Not Ashamed*, a one-half hour, bi-weekly bible study program on TV99, Paris, Texas and will be soon syndicating the program on other national and international Christian broadcasting networks.

Michael's most recent book, *The House Church: Theology, Structure & Function* was written to restore the Apostle's 1st Century model for the 21st Century church. His first book, *Spiritual Warfare: Pseudo-Christian Alert* is an expository study on the book of Jude. God inspired Jude to issue a stern warning to bible preachers and teachers to honestly and truthfully proclaim God's grace and contend earnestly for the faith. Because we live in the age of apostasy where many false teachers have been unleashed to deceive the masses, doctrine has been vilified and the bible shelved to make room for a false gospel.
